VIRTUAL ONE-DAY **CONFERENCE**

# Managing chronic medical conditions in education settings

Young people with chronic medical conditions should have the opportunity to be cared for in the education setting as much as possible. Education settings have a duty of care to provide support to enable those who have a chronic condition to have a safe and fulfilling experience. This training day identifies conditions and updates delegates on management and support strategies for each.

## Audience

Healthcare professionals, medical providers and those with a responsibility for caring for a young person with a chronic medical condition in an education setting.

## Cost

- Member rate: £185
- Non-member rate: £370
