HILTON, LONDON HEATHROW, TERMINAL 5

Annual conference for Heads ~

Dynamic, Different & Diverse

It is a great pleasure to host this year's BSA Annual Conference for Heads as Chair for 2024. I look forward to meeting and connecting with many of you as we gather once again for this excellent event.

There is no shortage of challenges on the horizon as the boarding sector prepares for the strong possibility of a new government, adapts to staff recruitment strains and continues to bolster mental health provision. We must keep working hard to communicate our value in a rapidly evolving political landscape and celebrate diversity beyond mere acknowledgment.

The conference programme will explore all of these themes so we as leaders can continue to drive dynamic, different and diverse cultures in our boarding communities. Brilliant speakers will lead thought-provoking sessions and panel discussions to inspire meaningful action in our schools.

Luckily for us, we know the boarding sector is highly adaptable, dynamic and forward-thinking. Our flexible approach to challenges ensures we see the opportunity in adversity, and there is much to be positive about! Boarding schools have for generations offered unrivalled quality of education and dedication to the holistic growth of the young people in their care. It is this longevity and our shared passion for boarding that gives us a strong platform for positive change in which to future proof the sector.

I very much look forward to welcoming you along on May 7-8.

Jo Cameron
Principal, Queenswood School, BSA Chair 2024
