Please provide Companies House (England) number or equivalent evidence:

Please provide detail of successful operation in the field, including any evidence/details of trading history (please attach any relevant documentation in support of your application)

Please supply a copy of your brochure, relevant policies and evidence of UK-school sector training (please attach any relevant documentation in support of your application).

Please provide reference contact details (name, role, organisation, email address, phone number) for at least two schools with whom you have worked. Three or more references preferred.

Please write a statement in support of your application to include

- Your commitment to providing high quality advice and support
- Evidence of having a good relationship with clients
- Knowledge of your local education system and the British education system
- Evidence of successful school placement in UK schools
- Detail of any other certificate/accreditations

☐ I/we agree to commit to **BSA Code of Practice** under this certified scheme

☐ I/we agree to comply to the UK **National code of ethical practice for education agents**
